## OBJECTIVE

Seeking an opportunity to utilize my acquired skills and further develop them in a dynamic environment.

## SKILLS

Work under pressure, evaluate and assess complex tasks. Proficient in Object oriented programming such as C, C++, C# as well as experience with MS SQL Server, ASP. NET, MVC, and ORM

## LANGUAGE

Arabic : Native  
English : Advanced  
French : Upper intermediate

## EXPERIENCE

**Full Stack Developer**  
**[Spw Group], [Amchit]**  
**2021 - Present**

- Developed and maintained responsive web applications using JavaScript and TypeScript, enhancing user experience across mobile and desktop platforms.
- Collaborated with clients and cross-functional teams to define project requirements, ensuring the delivery of high-quality solutions.
- Utilized frameworks such as React to build dynamic interfaces, implementing best practices in coding and design for performance and maintainability.
- Integrated RESTful APIs to improve application functionality and data management.
- Conducted code reviews and mentored junior developers, fostering a collaborative team environment.
- Optimized application performance, achieving a reduction in load times by 25%

## EDUCATION

**BS COMPUTER SCIENCE / 2022** Lebanese University Faculty of Science Branch 3 During my degree, I was involved in learning many programming languages, like Java, C++, C#, PHP, Python, HTML, Javascript, SQL and many more.

Also, I obtained solid knowledge in software engineering, system management, Mathematics, Research, Operational research and many more.

## VOLUNTEER EXPERIENCE

**Team Leader, Lebanese Red Cross**  
**2017 – Present**

Developed and implemented training programs to improve volunteer skills and preparedness.  
Managed and motivated a team of volunteers.  
Led training sessions and coordinated rescue missions.
